- Metal construction !

Fully working, manufacturer recertified genuine device.
1 year warranty

The Razer BlackWidow X Chroma boasts the same superior performance as the Razer BlackWidow, with exposed military grade metal construction that exudes minimalism and rugged durability. Available in 3 colors.

TOURNAMENT-GRADE PRECISION

Designed specifically for gaming, Razer Mechanical Switches actuate at an optimal distance, giving you speed and responsiveness like never before. Razer Mechanical Switches have been lauded as the new standard for all mechanical gaming keyboards since their introduction.

LONG-LASTING DURABILITY

Razer Mechanical Switches have consistently proven themselves to be the best for gaming, delivering both top-notch performance and reliable durability without compromise. This very same Razer technology and design is now being manufactured in-house end to end, ensuring even stricter requirements are met for each switch produced, resulting in a life span of up to 80 million key strokes.

POWERED BY RAZER CHROMA

The Razer BlackWidow X Chroma features individually programmable backlit keys with 16.8 million color options, all easily set through Razer Synapse. From preloaded lighting effects for different types of games, to your own custom uniquely programmed palette of colors, you can effortlessly enhance your gaming experience in a way that is unique only to you.

MANUFACTURED TO PERFECTION

The Razer BlackWidow X Chroma features a whole new look, one that's been stripped down to reveal a sleek and compact piece of engineering ingenuity. Constructed from military grade metal, the polished body of the Razer BlackWidow X Chroma is both rugged and durable, ensuring you'll enjoy stellar performance even during the most intense gaming sessions.
