- **Shoulder strap**
- **For MDT1065 rugged tablet**
- **Hand screw mounting**
- **Improved carrying comfort**

The STR-1065-01 is a shoulder strap for the MDT1065 rugged tablet. It mounts using hand screws at the top of the tablet and improves carrying comfort during mobile use.

It is particularly useful for field work and mobile tasks where the tablet must remain easy to carry and quickly accessible.
